EVOLVE YOUR WALLS™

National 
Gypsum®

PURPLE – The Color Of Confidence

Whether you're designing a project or installing product in the field, PURPLE® products from National Gypsum offer single-source solutions that provide the performance, support and resources to get the job done right. Inside or out, wet or dry, National Gypsum's portfolio of PURPLE XP® paper-faced and EXP® coated fiberglass-faced products delivers the confidence and peace of mind you need to stand behind your work. They're mold and moisture resistant, GREENGUARD Indoor Air Quality Certified® and manufactured in National Gypsum's PURPLE® color. So be sure to ask for PURPLE, and know you're building with the best.

XP® Paper Faced

- 7 XP® Gypsum Board**
 - For use in all rooms
 - Anywhere mold and moisture is a concern
- 8 SoundBreak® XP® Gypsum Board**
 - Rooms requiring sound control
 - Reduces sound transmission through walls and ceilings
- 9 Hi-Abuse® XP® Gypsum Board**
 - Walls subject to added abuse/abrasion
 - Scratch and scuff resistant
- 10 Hi-Impact® XP® Gypsum Board**
 - Walls subject to impact from hard objects
 - Resists penetrations through the drywall
- 11 XP® Shaftliner Gypsum Board**
 - For use in shafts and stairwells
 - Resists mold and moisture

EXP® Fiberglass Faced (Paperless)

1 EXP® Interior Extreme® Gypsum Panel

- For use in all rooms
- Anywhere mold and moisture is a concern
- 12-month exposure warranty

2 EXP® Interior Extreme® AR Gypsum Panel

- Walls subject to added abuse/abrasion
- Scratch and scuff resistant
- 12-month exposure warranty

3 EXP® Interior Extreme® IR Gypsum Panel

- Walls subject to impact from hard objects
- Resists penetrations through the drywall
- 12-month exposure warranty

4 EXP® Shaftliner

- For use in shafts and stairwells
- Resists mold and moisture
- 12-month exposure warranty

5 EXP® Tile Backer

- Gypsum backerboard for wet areas
- Acrylic-coated facer
- Eliminates need for water barrier

6 EXP® Sheathing

- Accepts variety of exterior finishes
- Finishing of joints not required
- 12-month exposure warranty

12 PermaBase® Cement Board

- Withstands prolonged exposure to moisture
- Used behind ceramic tile in wet interior areas
- For exterior finishes such as brick, stucco and stone

13 ProForm® XP® Ready Mix with Dust-Tech®

- Reduces airborne dust
- Formulated to cause dust to fall straight to the ground
- Mold resistant

14 ProForm® Quick Set™ LITE Setting Compounds

- Allows same day finishing
- Consistent set times
- Mold resistant

LIMITED WARRANTY AND REMEDIES

Products manufactured and sold by National Gypsum Company are warranted by National Gypsum Company to its customers to be free from defects in materials and workmanship at the time of shipment. THIS EXPRESS WARRANTY IS THE ONLY WARRANTY APPLICABLE TO SUCH PRODUCTS, AND IS IN LIEU OF AND EXCLUDES ALL OTHER EXPRESS ORAL OR WRITTEN WARRANTIES AND ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

National Gypsum Company will not be liable for any incidental, indirect or consequential losses, damages or expenses. The customer's exclusive remedy for any type of claim or action for defective products will be limited to the replacement of the products (in the form originally shipped) or, at National Gypsum's option, to a payment or credit not greater than the original purchase price of the products.

National Gypsum Company will not be liable for products claimed to be defective

where the defect resulted from causes not within National Gypsum's control, or which arose or occurred after shipment, including but not limited to accidents, misuse, mishandling, improper installation, contamination or adulteration by other materials or goods, or abnormal conditions of temperature, moisture, dirt or corrosive matter.

Any claim that products sold by National Gypsum Company were defective or otherwise did not conform to the contract of sale is waived unless the customer submits it in writing to National Gypsum within thirty (30) days from the date the customer discovered or should have discovered the defect or nonconformance. No legal action or proceeding complaining of goods sold by National Gypsum may be brought by the customer more than one year after the date the customer discovered or should have discovered the defect or problem of which it complains.

Go to nationalgypsum.com for limited warranty statements, conditions and exclusions concerning particular specialty products.

Mold and Mildew Resistance

Gold Bond® BRAND XP Gypsum products with Sporgard, EXP® fiberglass-faced interior and exterior gypsum panels and PermaBase® BRAND Cement Boards were designed to provide extra protection against mold and mildew compared to standard wallboard products. When tested by an independent laboratory, XP Gypsum Board and PermaBase Cement Board products received the highest possible ratings on ASTM D 3273 and G 21. EXP Panels also received the highest possible ratings on ASTM D 3273 and D 6329.

No material can be considered "mold proof," nor is it certain that any material will resist mold or mildew indefinitely. When used in conjunction with good design, handling and construction practices, mold resistant products can provide increased mold resistance versus standard wallboard products. As with any building material, avoiding water exposure during handling, storage and installation, and after installation is complete, is the best way to avoid the formation of mold or mildew.

The Gold Bond® BRAND XP family of interior products and EXP® Interior Extreme, Interior Extreme AR/IR and Tile Backer, ProForm® BRAND XP Ready Mix with Dust-Tech®, Quick Set™ LITE Setting Compounds and PermaBase® BRAND Cement Board have achieved GREENGUARD Children & Schools™

Certification. The GREENGUARD Certification Program is an industry-independent, third-party program for certifying low-emitting products and materials and for building construction best practices set by the GREENGUARD Environmental Institute (GEI) – a globally recognized leader in indoor air quality. To achieve GREENGUARD Children & Schools Certification, products meet the most stringent emissions limits that account for the added sensitivity of children and adults with compromised immune systems.

Gold Bond® BRAND Gypsum Board, ProForm® BRAND Drywall Finishing Products and PermaBase® BRAND Cement Board are registered trademarks of National Gypsum Properties, LLC.
