

## UNDERSTANDING THE UL FIRE RESISTANCE DIRECTORY 101

AIA  
Continuing  
Education  
Provider

AIA/CES Registered Provider Program Summary  
Provider: National Gypsum  
Program Number: NGC004

**LENGTH:** 1 Hour

**CREDITS:** 1.0 LU | HSW

**HSW:** Yes

### DESCRIPTION

Learn how to master the online UL Fire Resistance Directory resource. UL no longer publishes those bright orange books; therefore, the only way to find the most current information in the fire resistant directories is to access it online. This presentation will describe the most effective and efficient way to locate the information in the online UL Fire Resistance Directory.

### LEARNING OBJECTIVES

As a participant, you will have a clear understanding of the Underwriters Laboratories Fire Resistance Directory, learn about the three types of fire-resistant gypsum wallboard, analyze gypsum wallboard fire-rated designs, and determine the most effective gypsum UL Design for your project.

### HOW TAUGHT

Courses are taught onsite or virtually using a PowerPoint presentation. Samples, test data and exercises are used based on the topic of discussion.

### TECHNOLOGY REQUIREMENTS

Projection capabilities for the PowerPoint presentation. Power, HDMI, WiFi

### TARGETED AUDIENCE

Architects, Specification Writers, Design Professionals, Facility Managers, School Boards, Architecture and Design Students, Building Owners, etc. This program meets every experience level, with time designed into the program for questions and answers.

### FACILITATOR QUALIFICATIONS

National Gypsum Certified Presenters only.

### COST

There is no cost for this program.

### OTHER

NGC offers Certificates of Participation for reciprocating association members.
